Information and Networking Event: Joint Funding Program on Research Collaboration in Artificial intelligence between Taiwan and Germany

National Science and Technology Council Taiwan (NSTC)

Federal Ministry of Research, Technology and Space Germany (BMFTR)

Federal Ministry
of Research, Technology
and Space

NSTC 國家科學及技術委員會
National Science and Technology Council

Joint Welcome

Mr. Christian Berghoff

Department Technological Souveranity
and Innovation

Federal Ministry of Research, Technology and Space

Mr. Kai-Shyr Wang

Section Chief

Department of International Cooperation
and Science Education

National Science and Technology Council (NSTC)

Agenda

9:00 am DE / 4:00 pm TWN **Joint Welcome**

9:10 am / 4:10 pm **Separate Information Session**

9:40 am / 4:40 pm **Networking in Break-out Sessions**

- Intelligent production/ Industry4.0
- Intelligent agriculture
- AI in simulation/ Models for physics

10:30 pm / 5:30 pm **End of event**

Kai-Shyr Wang(NSTC) and C. Berghoff (BMFTR)

Y.-Y. Chuang (NSTC) and B. Krieger (VDI/VDE-IT)

Moderated by NSTC & VDI/VDE-IT representatives

Federal Ministry
of Research, Technology
and Space

National Science and Technology Council

Information Sessions

Please join the respective break-out session

and Space

Germany Information Session

Key elements

- At least 2 research groups (1 DE/1 TW)
- Advancing state-of-the-art AI research
- Joint research strategy
- Fostering long term cooperation

**International
Partnerships**

Key elements

- At least 2 research groups (1 DE/1 TW)
- Advancing state-of-the-art AI research
- Joint research strategy
- Fostering long term cooperation

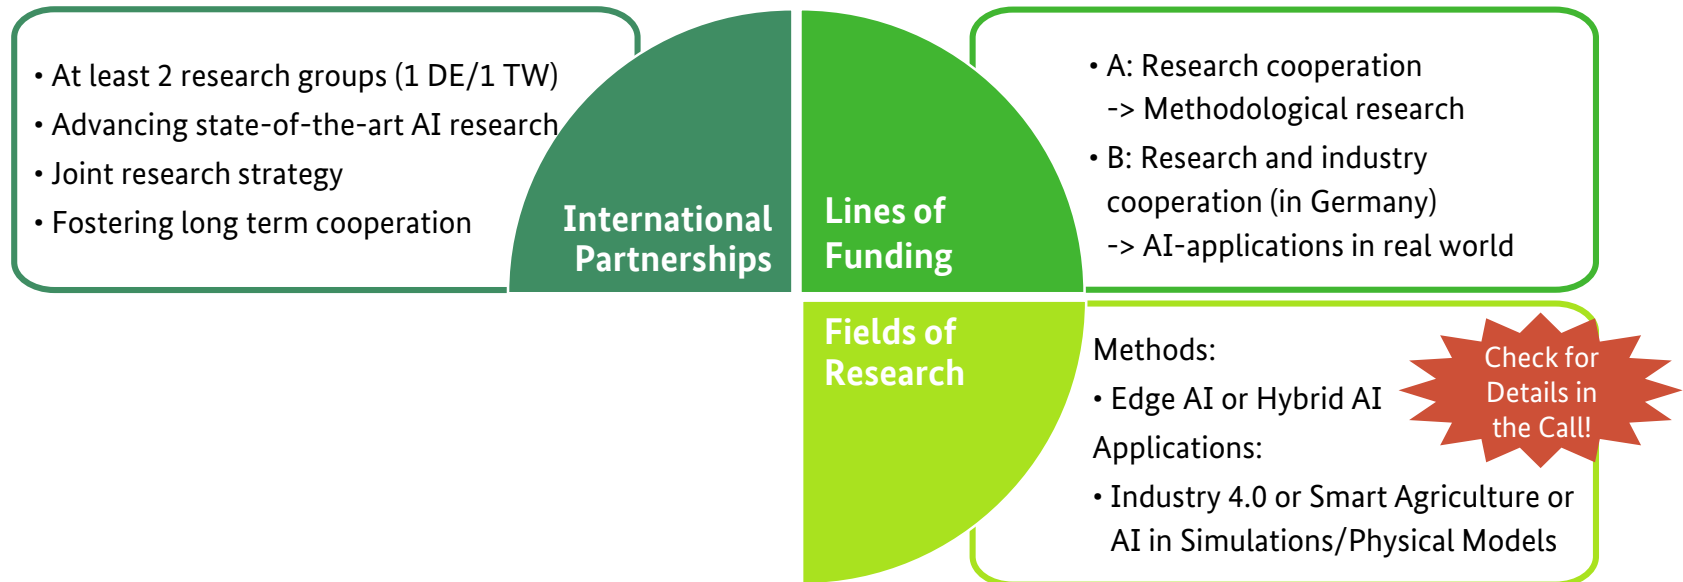

International Partnerships

Lines of Funding

- A: Research cooperation
-> Methodological research
- B: Research and industry cooperation (in Germany)
-> AI-applications in real world

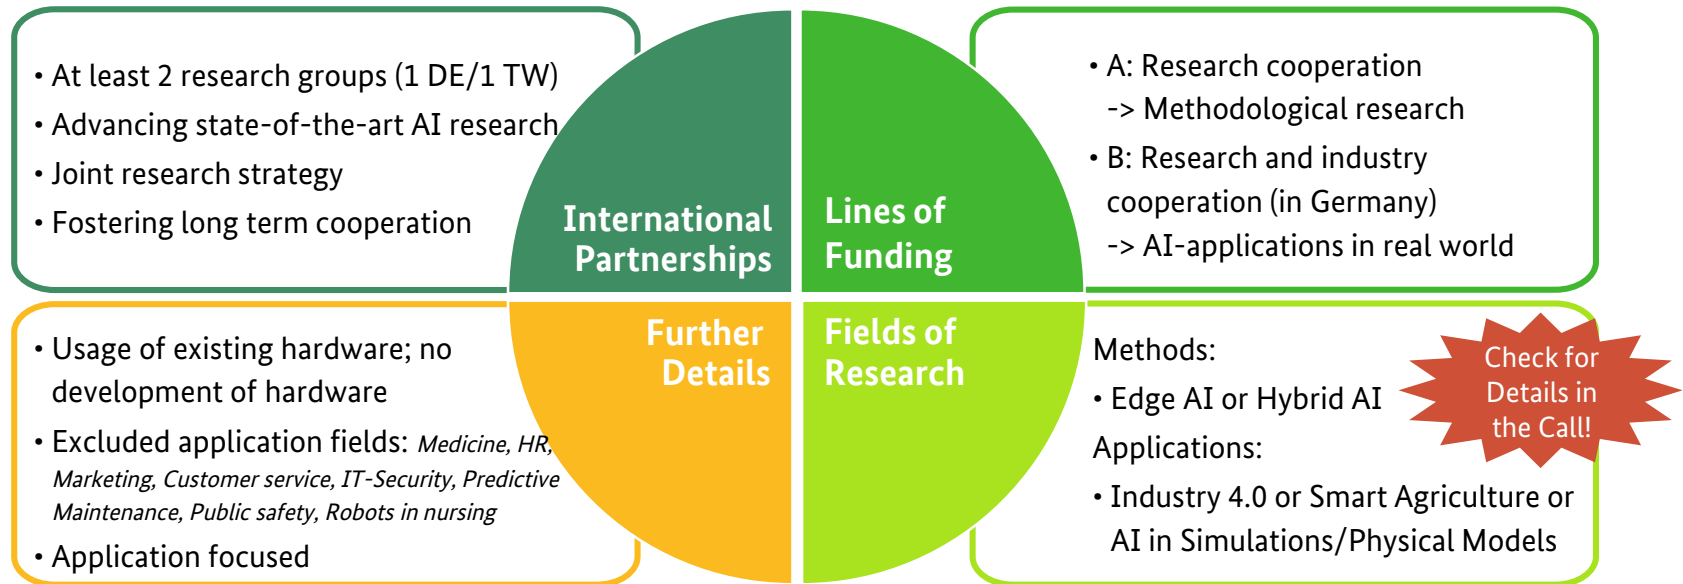

Key elements

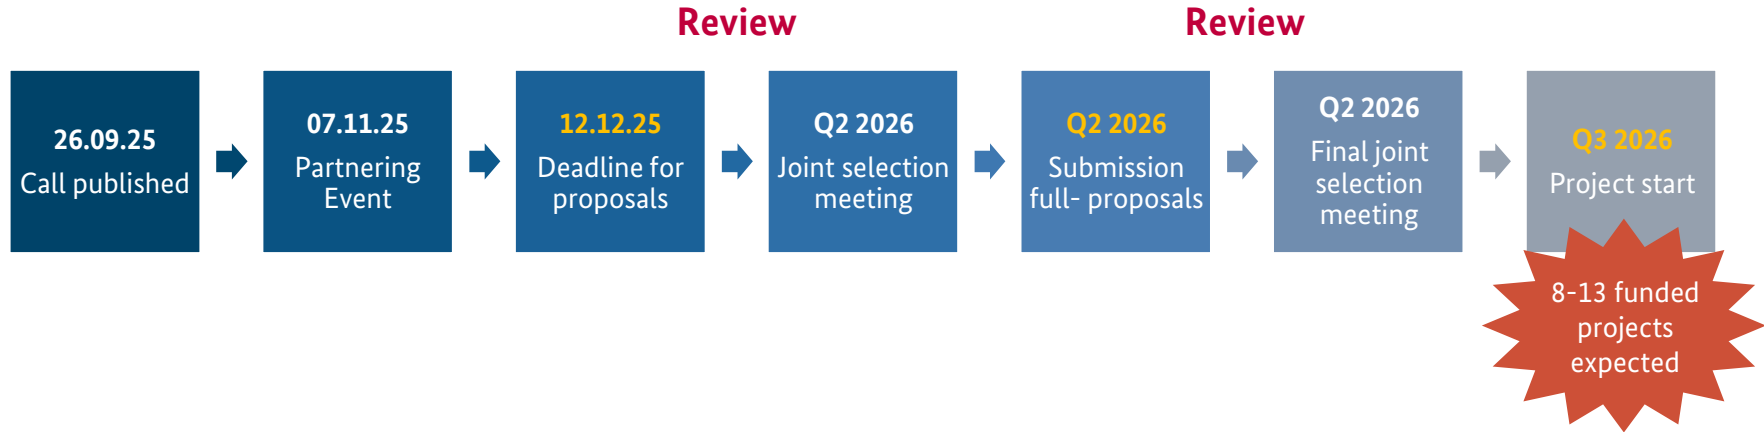

Key elements

Timeline

Formal requirements of proposals

- Deadline: December 12th, 2025; 23:59
- 10 A4 pages (Arial font, font size at least 11 points, at least 1.15 line spacing)
- Cover sheet(s) and any attachments (e.g. list of literature, abbreviations, etc.) not included in ten pages
- Submission: <https://foerderportal.bund.de/easyonline/reflink.jsf?m=FITS2030-KI&b=TAIWAN-KI-SKI&t=SKI>

Evaluation criteria

Funding Line A

- Longevity of cooperation
 - Strategic relevance & sustainability of partnership
- Project management
 - Scientific excellence of partners
 - Existing scientific exchange
 - Appropriateness of requested funding and activities
- Innovation excellence
 - Quality of bilateral cooperation projects
 - Degree of innovation in research
 - Appropriateness of work plan and goals
- Impact of project
 - Science communication
 - Expected added value, synergies etc.

...

Funding Line B

- Innovation, technological excellence and relevance
 - Quality of the solution & degree of innovation
 - Societal and economic risks and opportunities
- Feasibility
 - Quality of methods and work plan
 - Viability of time and financial plan
- Consortium
 - Project management
 - Qualification and competence of partners
 - Added value of cooperation
- Valorization and dissemination
 - Relevance for scientific and industrial application
 - Chances of success and final development
 - Quality and feasibility of valorization

...

What is eligible? (BMFTR)

All project-related expenses, in particular:

- Scientific personnel
- Material resources
- Equipment and orders to third parties (e.g. contract research)
- Travelling and accommodation incl. CO2-compensation
- Participation in networking events, conferences or workshops
- Science communication

Hardware costs need specific explanation as to why existing resources (e. g. AI-service) centers cannot be used

Q&A

How to ask a question: 2 options

1. To pose a question in person:

Please raise your hand using the symbols and wait until the moderator calls your name, then unmute yourself and switch on your camera.

2. To submit a written question:

Please send your question via chat, the moderator will read it.

Virtual Networking

Three separate WebEx rooms for networking

Room 1

Session Chair:

Prof. Chih-Yang Lin, NCU

AI in
Agriculture/
Edge AI

Room 2

Session Chair:

Prof. Yan-Tsung Peng, NCCU

AI in
Simulations/
Hybrid AI

Room 3

Session Chair:

*Prof. Ching-Chun Huang,
NYCU*

Industry 4.0

What Partners you are looking for

Please join the respective break-out session for the networking session of interest to you

-  Participants list
(Bottom right)
-  Session Overview
(Top right)
-  Choose session
(Pop up window)

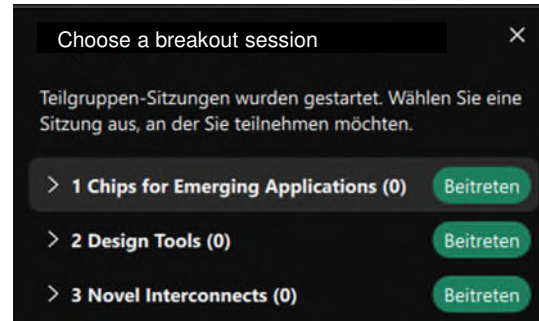

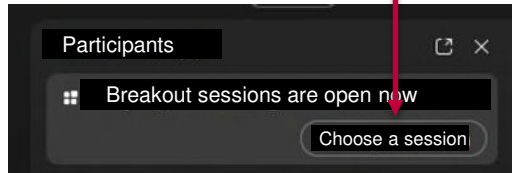

How to enter the breakout sessions?

1st step: Please open the participant list

2nd step: Above the list of participants, please click “Choose a session”

3rd step:
click the green
button to enter
the session you
wish

← To leave a breakout room, click on the red button and you will be back in the main room.
